There needs to be a way to make sure Illegals are NOT voting in our elections. Can you please explain to me why ballots are printed in Spanish if you have to be a citizen to vote and to be a citizen you need to speak English. This is a waste of taxpayer money.

Thanks

I don't know whether you are or not for the VOTER IDENTIFICATION BILL.

I can only say that we, the American People, are fed up with you, the politicians, because we don't have anymore a politician who will represent us and who will protect our rights. I imagine that the ILLEGALS in this country have more rights and are the ones who are represented by YOU, THE CORRUPT POLITICIANS OF BOTH PARTIES.

It's amazing how corrupt politicians, from both parties, have become. But, I can only say that we, the American Citizens, will remember all of you the next election.

People from countries other than United States are required to show an ID Card in order to be able to vote, but of course POLITICIANS in the United States do not require for ILLEGALS to show an ID. I WONDER WHY? I'M SURE YOU, SIR, KNOW THE ANSWER TO THAT QUESTION.

One of the most ridiculous things that we face today should be a non-issue in my mind. Why in the world illegal,non-US and non-Texas citizens would be allowed to vote is beyond my comprehension. Please pass a law to make it mandantory to proove legal citizenship at the polls! A valid Texas photo drivers license should suffice.

Please vote against or speak up against SB-14. I believe that the "Photo Voter ID" is necessary for a true and honest voting system. Otherwise you will have dishonest people or illegal aliens voting which will compromise our current and honest way of voting. Some people may vote multiple times with non-voter's IDs. This would be a terrible thing!

Thank you for taking the time to read this and for serving our great state of TEXAS!

God Bless you,
Stella Lee

Subject: Don't be pushed around about ballot box

The Honorable Tom Craddick

It is time to take a stand against a clear enemy of the American way and that is the Democrats. It is time to stop acting like these people are just good Americans with a different attitude. Tom these people are for the most part more Socialist than the people of Russia. Time to put them in the category of enemy and treat them accordingly. Do not allow them to push you around. Speak to the people of Texas and speak clearly "you will not stand for obstructionism by outlaw groups no matter who they are." We need to tighten our voting process now. Why would anyone object to having to show a picture to vote. Only an illegal would or a Democrat that wants to use illegals. Get tough, real tough, as it is "pay me now or pay me later" time. Later may allow illegal steam to take place and blood may be in the streets if this socialist bunk does not stop.
